III. This special board meeting (telecon) will discuss the following issues:

A. Student membership.

Tom Benenson moved the following:

I move that SAFE establish a membership subcategory under Aviation Educator (Section 2.03 of the By-Laws) entitled Aviation Apprentice Educator. Membership in the Aviation Apprentice Educator category would be open to students and others preparing to become Aviation Educators and interested in aviation education. It would provide some, but not all, of the benefits of full membership. The membership cost would be \$25 and include access to the member library and the mentoring program and all other member benefits except the insurance program, voting privileges and the complimentary subscription to *Flying* magazine. The program would be introduced at AirVenture, and if necessary, with the understanding that continuation of the program would be contingent on a vote by the membership to change the By-Laws to add Apprentice Aviation Educator to section 2.03.

Motion seconded by Alan.

Discussion followed. Question was called. Vote was taken. Motion passed.

B. Corporate membership.

Arlynn moved that this subject be tabled until the next board meeting. Donna seconded.

Motion passed.

IV. Adjournment

Motion to adjourn? Alan Second? Arlynn Adjournment at 7:44 PM Central Time.
